Dear Sir,

Subject: Shifting of Hosur Plant to Bhiwadi

We would like to inform you that due to subscale production activities at Hosur, the unit was making losses. Further, under GST regime it was no longer needed to maintain a facility in the South. Taking stock of the present condition of the company and to bring economy of scale, the management has decided to consolidated production unit of Hosur into Bhiwadi.

The activity of Wiring Harness at Hosur is identical to the wiring harness unit operational at Bhiwadi. Hence it was found prudent to consolidate the operations of harness activity in Bhiwadi from October 2017 for better control over production & quality. The company is making arrangement to shift the entire plant and machinery from Hosur to Bhiwadi within this month. The Customers have also been equally supportive to this move.

This is for your kind information and record please.

Thanking you,

Yours Sincerely,

For Shilpi Cable Technologies Ltd
